## Activities Chair report

For the month of June 2022

Good morning all. Thank you all who attended the Sickness in the Park tournament. Special thank you to all those who stepped up to help with food, umpiring, de-escalation, and merch / Raffle sales. With the exception of a couple bumps it was a huge success and this year was fully self-supporting with only limited donations. We accomplished the primary purpose of activities to have fun and break even, funds raised were 2,039.63 which is over the 1575.00 we took out of prudent. I will give the financial breakdown in old business. Hoping to lock in the details of Family Fun Day today so flier can be distributed this week so we can start getting people excited for this event.

Hope we have a focused and productive committee meeting.

In Loving Service Mindy C
