ACTIVITIES CHAIR REPORT

For the month of September

Good morning all. Recently Jeff G and I have made contact with TLCANA activities Chair and Vice-chair and have discussed planning some bi-area functions. Possibly a super-draft softball tournament sometime in the spring. Jeff G. can explain more in new business. Tami, Jeff G. and myself went to storage yesterday and organized the unit found a lot of supplies for functions specifically the Halloween bash which will save funds for this event. I have a financial breakdown to submit to this committee for approval to obtain funds needed for Halloween bash. Met with Berlin B. about decorations she will report more on that and what is needed. Need to begin discussion for marathon meetings for thanksgiving and Christmas so we can secure room at the club for the dates.
